

English

The children will learn about and write 4 main genres: instructions, a non-chronological report, persuasive writing and stories. Key texts will be: Man on the Moon by Simon Bartram and The first Hippo on the Moon by David Walliams. We will continue to use Pie Corbett's Talk 4 Writing as a way of teaching English. **So keep checking the website blogs for more videos.** If you wanted to help your child at home focus on spelling and handwriting.

We will be comparing life on Earth to life on Mars. The children will use maps to carry out fieldwork in Davenham.

Geography

Come and Join Us!

Friday June 10th 2pm: For a chance to see our space work so far and join a picnic to celebrate the Queens 90th Birthday.

Year 1 / 2

Miss Phillips, Mrs Clewes and Mrs Braham

Our 'Where my wellies take me' topic will last for the whole of the summer term, the children will learn about **Space and Britain**. The classroom will have a space themed role play and a selection of fiction and non-fiction books covering both topics.

P.E British Dance

Food and Nutrition:
Designing and making a meal for Tim Peakes to take into space.

Linkages and Levers:
Creating a moving space picture.

D&T

Key Question: Why do Christians make promises at Baptism?

The children will learn about the events during a Baptism, act this out together and begin to answer the key question.

Christianity

Where My Wellies Take Me

Science

We will name the planets and describe them, looking at what makes each planet unique. We will learn about diet and exercise and how astronauts are trained, we will undergo some astronaut training ourselves! Finally we will explore materials and try to create a space suit for Sheila the Hippo, the first hippo on the moon! (According to David Walliams?!)

History and Timeline

The children will learn about significant people ... Neil Armstrong and Tim Peakes

We will be learning about the moon landing and the Space Race and creating timelines to track the events. The children will learn about the Queen's reign.

Art

The children will work with the artist Chris Gilbert on artwork based around British Values and learning new art skills.

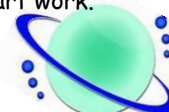

Educational Experiences

24th - 25th May

The Year 2 children will be on a Residential visit to Tattenhall. The Y1 children will join them on the 25th May. During this time they will learn different British dances and create British art work.

7th June

A Spaceman will be coming into school to meet with the children and teach them about his suit and how he can journey into space! He will finish the day by helping us build mini rockets. A letter will shortly follow.

ICT

The children will learn about coding. They will have to come up with simple instruction and input these into a program in order to make a fictional character move.
