

Literacy

Our key story this term will be 'The Lion Inside' this story is about a small animal who befriends a large animal in the African savannah. The children will explore different sentence types, use of adjectives, adverbs and how to use correct punctuation. The children will then write their own versions of this story using a different large and small animal. We will then write instructions for how to care for African animals.

Numeracy

The children will be continuing to work in their Big Maths groups. We will focus on mental addition of 2 digit numbers and solving open ended problems.

Music

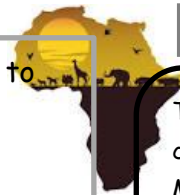

The children use percussion instruments and drums to add beats to African songs.

Year 1 / 2
Miss Phillips, Mr Leeman and Mr Jackson

Parents' Come and Join Us

On **Monday 12th June** the children can come to school dressed in their "HOLIDAY" clothes. At **1.45pm - 2.45pm** parents/carers are invited to join us for a picnic and playground games. *(Please bring your own picnic/blankets etc along with you to enjoy with your child)*

The children will use the internet to check the weather in Kenya, then track this on a weather chart and compare it against the weather in England. We will be finding Africa on a map and learning about the equator. The children will find out about foods that grow in warm climates.

Geography

Away We Go

Science

The children will look at Safari animals - they will name them, describe them and find out how they are suited to the habitat in which they live. The children will create non-chronological reports.

Art

The children will look carefully at the African masks then using oil pastels they will create observational drawings.

R.E

Creation

Key Question: How did Adam and Eve spoil creation in Genesis?

P.E

The children will extend their African dances from Tattenhall to add in more dance moves then perform in small groups. We will be teaching athletics, ready for sports day.

D&T

The children will create a plan then make their own African mask using cardboard. They will have to think about how to create a 3D effect through layering. They will then paint their mask.

History

The children will learn about different African tribes. They will learn about how the tribe's people's lives are different to ours and what their traditional dress is.

All classrooms will have an African based role play. There will be a sand pit in the outdoor area with African animals in. The children will be able to read fiction and non-fiction books.

Enrichment
