The Man Who Came Back

Jesus was travelling along the dusty roads towards Jerusalem. At each village he was welcomed by people, happy to see him and listen to his teaching. But today, as he entered the village he saw in the distance a small group standing apart from the crowd. They were calling out, "Jesus, Master, help us, please make us well." These poor people had a disease called leprosy. They were terribly ill and no-one in the village wanted to go near them.

But Jesus didn't ignore them. He stood among them and prayed for them. As each of them went on his way they began to notice that their whole bodies were healing up. They were so excited that they immediately rushed off to share their good news. Well, nine of them did. The tenth turned and fell on his knees in front of Jesus and **thanked** him for what he had done.

"I healed ten people with leprosy today", said Jesus to the man. "Where are the others?". But then he smiled "Well at least you came back to say **thank you!**"

★ HALL OF FAME

Laura Trott Track Cyclist

At the age of just 20 Laura won two gold medals in Track Cycling at the London 2012 Olympics. Then four years later in Rio, she won another two, making her the first British woman in any sport to win four Olympic gold medals.

It wasn't easy – as a child she suffered from asthma but enjoyed and competed in trampolining until she had to give up due to breathing problems. Then as a young teenager she took up cycling and at 17 won a junior title racing in the British championships.

Her inspiration to train and succeed as a cyclist came from a meeting with Sir Bradley Wiggins for which she will always be **thankful**. She chatted to him and wore his gold medal for a few moments. It felt amazing!

After her success in the Rio 2016 Olympics, Laura talked about her training programme – it is not just her hard work that brings success. She really is **thankful** for the whole team - managers, coaches, doctors, mechanics, therapists and so many more people - who encourage, motivate and support her.
