Dear Parents and Carers,

Subject: Invitation to Join Our Parent Online Safety Committee

In an increasingly digital world, ensuring the safety of our children online is more important than ever. At Davenham Primary School we are committed to fostering a safe and supportive environment for our pupils both in and out of the classroom. As part of our whole-school approach to online safety, we are excited to invite parents/carers to join our new Parent Online Safety Committee.

The purpose of this committee is to work collaboratively to promote online safety awareness and empower our school community with the knowledge and tools to navigate the digital landscape safely.

By joining the committee, you will have the opportunity to:

Share your insights and experiences as parents.

Help develop practical strategies to keep our children safe online.

Participate in planning events, such as our annual Online Safety Day.

Contribute to discussions about online safety policies and resources.

We value the role parents/carers play in supporting online safety, and your input will be instrumental in shaping our approach. The committee will meet once a half term that accommodate the majority of members.

If you are interested in joining or would like more information, please email

cashworth@davenhamce.cheshire.sch.uk.

Thank you for your continued support.
