

English

The children will be writing stories focusing on describing the main event in detail. We will use a range of pirate stories and under the sea fiction to support our story writing. The children will learn how to write a Non-Chronological report about animals that live in the sea. As always we will focus on handwriting, punctuation and adjectives.

The children will locate the oceans on a World Map. They will learn the 4 compass points, North, South, East and West.

Geography

Come and Join Us!

Parents or Grandparents are invited into school on Thursday 4th February for our second Come and Join Us session. In this session you will make a paper boat and then see if it floats in water. The session will begin at 2pm.

Year 1 / 2

Miss Phillips, Mrs Whittle and Mrs Braham

Educational Visit
The children will be visiting the Blue Planet Aquarium on Thursday 3rd March. More information will follow in the Spring Term.

Go With The Flow

Art

The children will be learning about Monet and creating their painting of his famous 'Water Lilies'. They will also use a range of textiles to create a weave using cool colours. The children will create observational paintings of ships and fish.

The children will learning Christians beliefs about Jesus - his birth, disciples and friends, as a teacher, as a special person who changed the lives of his followers.

Christianity

History and Timeline

The children will learn about the significant person ... Christopher Columbus.

We will also be learning about the Titanic, how it was made and the journey it took and what lessons it taught ship builders for the future.

The children will identify and compare a range of different materials and test which materials float and sink. They will then try to change materials by bending, squashing and melting. They will learn about the life cycle of a sea turtle. They will learn about Sea habitats.

Science

Creating an under the sea scene using junk modelling. Focusing on cutting and joining.

Our 'Going with the Flow' topic will last the whole Spring Term and will be split into 2 sections:

Spring 1: Pirates and Sea adventures.

Spring 2: Under the Sea.

The classroom will have a water based role play area. In this area the children can act in role of pirates, explorers or deep-sea divers. There will be a range of fiction and non-fiction books.

If you have any unwanted resources that link to our topic feel free to share with them your child's class.

Enrichment

ICT

The children will learn how to create simple music compositions using an ICT program.

They will create block graphs using 2simple.
